

# CHOPPER K RED ANGUS & MAJESTIC LIVESTOCK

APRIL 8<sup>TH</sup>, 2010  
ALAMEDA AUCTION MART  
ALAMEDA, SASKATCHEWAN, CANADA

## A WORD FROM MANAGEMENT...

Welcome to the Chopper K & Majestic Livestock bull sale. Chopper K has been supplying Red Angus Bulls to South East Saskatchewan for years and this could be the best set ever offered. These bulls are bred for calving ease yet maintain ample performance and muscle, ensuring the calves you sell have the pay weight needed to be profitable. This pen of bulls also offers out cross genetics that everyone is looking for.

The Majestic bulls have been fed and developed at Chopper K and will be serviced by Chad as well, you can buy them with the confidence that you will be taken care of. Jeff's bulls are stout power bulls that will definitely pound down the scale. The Majestic program has had great success in the show ring, as well the bulls are bred to go out and work in the real world.

Come early, look the bulls over and visit with Chad and Jeff and let them assist in selecting bulls that will fit your needs.

If we at T Bar C can be of any assistance prior to, or on sale day feel free to call myself or Ted.

See you in Alameda.

Chris

## WELCOME FROM CHOPPER K RED ANGUS...

I would like to welcome you to our annual bull sale. As cattlemen in this business, commercial and seed stock producers we face challenges in the economy, how we get through these times is forever on our minds. One thing for sure... is having top cattle that have as little input with labour and dollars, can look after themselves, calve on their own, get up and nurse and wean off heavy are what our goals are here at Chopper K. We would like to welcome Jeff and Connie and family to the sale and feel that Majestic Livestock has the same goals as we do. These great people have a very good set of bulls on feed at our ranch and have been on the same feed program as our bulls. The bull pen is ready for your appraisal and we have some of the newest genetics to offer you. Feel free to stop by and see them and their dams or for just a good visit.

See you all on April 8th, come early for lunch and best of luck this calving season.

Chad & Kim Levesque

## WELCOME FROM MAJESTIC LIVESTOCK...

Welcome to the Chopper K Red Angus and Majestic Livestock 2010 Bull Sale. Chad and Kim along with Connie and I have talked about doing a sale together for some time now and I'm glad we made it happen this year as we share the same values when it comes to producing top Red Angus Cattle that deliver for our customers.

Bull sale time is always a great time of year as it's a chance to see the results of all your hard work come to light and after looking long and hard at the bulls on offer, I believe we've got a great set of herd bulls that will really move a program forward. I understand that buying a good herd bull is probably the most important decision a cattleman can make and what's on offer April 8th will be herd sire prospects from the top of our programs. There is a powerful set of yearling bulls here for sale along with some strong two year olds that are ready to go out and work.

Connie and I look forward to meeting you at the sale but before then; if you have any questions about our bulls on offer, please don't hesitate to call. If you want to look at the bulls prior to sale time, please stop by Chopper K. See you sale day!

**• A REAL SALE FEATURE!**

- A 78 lbs birth weight
- The first of the LCB Hoss Bulls to sell in Canada.
- Sugar Ray 16W is a serious calving ease sire that is the kind of bull to get excited about. This Bull has been a stand out since birth, perfect head, bone, depth, great hair coat and phenotype.
- Sugar Ray's dam is the perfect Angus cow.... Dark red , extra deep sided, long made with great udder shape, with tons of milk.
- 47M has also sired Red Chopper K De La Hoya (a Mambo 28K) that walks our pasture. His calves are hitting the ground and are way ahead of our expectations...Look for them in next years sale.
- This bull would definitely wear a show halter.

## CHOPPER K TWO YEAR OLDS

These two year olds were put to pasture in mid May to be grown out slowly and brought back in and put on feed in October. They have been culled down and they are ready to go out and service big groups of heifers and cows. Take a look at these boys if you desire a two year old. The only bull that was not a part of this group is the Majestic UFC, as he was shown in Ontario then shipped out here and fed the same ration as the other twos.

## MAJESTIC TWO YEAR OLDS

### • SALE FEATURE

"UFC" had a lot of friends in 08' as the Canadian National Red Angus Show Junior Bull Calf Champion. It's not the buff and polish that made this bull stand out but his easy moving well balanced structure. This bull is clean made through the shoulders, has a big hip, wide top line, is sure footed and is excellent for breeding heifers. "UFC's" dam, Red Stewart Patricia 339N, is a cow with tremendous volume and a beautiful udder and every year this top cow at Majestic gives us powerful calves. On the top, "UFC's" sire, Rubicon, is an easy calving bull that is deep made and packed with meat. "UFC" is a bull that's going to move a herd forward.

Top Cut is a strong two year old that is going to produce thick made, powerful calves that wean heavy. His Dam, Red Geis Lace 174'01, is a Red Geis Poundmaker daughter who puts power and performance into her calves like Top Cut's little brother Kryptonite, the Grand Champion Bull in 09' at the RAWF. Top Cut is another strong Rubicon son with a big hip, wide top line and easy moving to cover a lot of cows. Based on his pedigree and what you see, Top Cut is going to be a good herd sire prospect.

Banknote weighed in at 1014lbs at weaning time and is one meat packed bull with a big set of testicles. His dam, Red Towaw Lakota 143M, is cow that is structurally correct, has an outstanding udder, and raises heavy weight calves like Banknote. You can also see the Rubicon in Banknote with the super wide hind quarter, wide top line and depth of rib. Banknote, no doubt, will weigh in at sale time as the heaviest yearling bull in the Majestic offering but I'm still confident that he can be used on heifer as Rubicon, his sire, was a powerful bull yet has always given us easy calving calves. I look forward to seeing Banknote calves in 2011 as I bet they will be as impressive as he is.

Doubletake is a cherry red bull calf sired by Rubicon and out of Gold-Bar Debbie 755G 303J. For those who have spent a little time with me talking cattle, they would say that the Debbie cow popped into the conversation more then a few times as she's stamped out some awesome calves for us and Doubletake is a good example of this. Nice and deep in the hind quarter, wide on the top line with lots of rib, Doubletake may not be the biggest bull in our sale offering but he sure is correct in everyway. Rubicon has done a great job at Majestic and this Sire/Dam combination should lead to some great calves sired by Doubletake.

Maserati is a bull that caught a lot of attention at Majestic Livestock when he was a calf as he has a ton of eye appeal and a spring of rib deeper than any calf we've ever raised. Seismic has put this spring of rib in Maserati along with the wide top line and strong hind quarter. His dam, Red Dwajo Dina 24S, was a Red Round Up purchase that I'm glad we made as she's just a flat out good cow in every way and Maserati is definitely an example of the strong maternal here. Maserati is going to be a herd bull that you can use on heifers and he's also going to be a bull that will put performance into a herd. Maserati is one smooth, deep sided rascal that really stands out and will sire some tick made calves.

## THINGS TO KNOW...

### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### HEALTH:

All animals in the sale have met all necessary health requirements.

### GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## NOTES...

### LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations.
